

Gospel Living – Session 4

Redefining Holiness

Head

- Holiness for the follower of Jesus
- False gospels of legalism and license
- Gospel Freedom
- Guidance to “live in holiness”

Heart

- What comes to mind when you hear the word “holy”? What comes to mind when you hear the phrase “holy huddle”? What comes to mind when you hear the phrase “holier than thou”?
- What stood out to you and/or what did you learn about holiness from the [Bible Project video](#)?
- Which ditch (legalism or license) do you tend to fall into? Why do you think that is?
- Is there an area in your life right now that you are trying to decide what “living in holiness” looks like? Share that with your group?
- Any other takeaways and/or questions you have from this teaching?

Hands

- Create 3 scenarios that one could encounter in life on earth.
- Now, identify what the three different approaches to these scenarios would look like?
 - What does legalism look like for each scenario?
 - What does license look like for each scenario?
 - What does Gospel Freedom look like for each scenario?
