

Gospel Living – Session 1

The Story of God Meets My Story: My Testimony

Head

- “Witnesses”
- Creation – Fall – Redemption – Restoration
- Contextualizing your story

Heart

- After spending time this past week prayerfully assessing your maturity in Christ, what do you believe to be ways you can grow in following Jesus this month?
- Did you practice drawing and explaining the 4 Questions chart with someone this week? How did that go?
- In the past, how have you told your story, or “given your testimony?” What was the setting, the audience, the response of the audience to your testimony? Did it seem natural for you to share your testimony?
- What two words would you use to describe your life before Jesus? What two words would you use to describe your life now in following Jesus?
- Read Acts 26:1-23 together and identify where the four chapters (Creation, Fall, Redemption, and Restoration) are present in Paul’s testimony.
- As time permits, spend time working through the four chapters of our stories together.
- Any other takeaways and/or questions you have from this teaching?

Hands

- Write out your story (3-5 minutes; approximately 1,000 words)
