

Gospel Living – Session 2

Treasuring Jesus

Head

- Earthly Treasures vs. Heavenly Treasures
- Ultimate Treasure

Heart

- Take some time to share your 15 second, 30 second, and/or your fuller testimony.
- Why is something considered a treasure?
- What are treasures in your life?
- Consider and discuss your answers to the following questions:
 - What do you spend unscheduled time on? When you have free time where nothing is expected of you, what are you following after, what are you pursuing?
 - What do you sacrifice for? What are the things you deny yourself for?
 - What do you talk about?
 - What fears/anxieties do you have? What are you afraid of losing? What are you afraid of not having?
- Based on your answers, can you identify your treasure of treasures...your ultimate treasure?
- Have you ever seen an earthly treasure become ultimate for you or others and it destroys them?
- After listening to the teaching, is there still something that prevents you from having Jesus be your ultimate treasure?
- Process through this week's "Hands" exercise with your group.
- Any other takeaways and/or questions you have from this teaching?

Hands

- Identify an earthly treasure in your life that often becomes an ultimate treasure
- Create a plan for laying down the treasure this week
 - Abstaining from this treasure completely or partially (for example, no junk food, no Netflix, limited study time, limited internet use)
- You may need help from others to wisely create a plan
- Create a plan for how to replace earthly treasure with treasuring Jesus (for example, enjoying Jesus in praying, studying Scripture, in nature, in music, in serving others, etc.)
- Communicate your experience with others (how did it go, what was good and not good about it).
