

Gospel Foundation – Session 5

Understanding the Story of God: What Do We Do?

Head

- Discipleship
- Collegiate Impact's Mission
- Maturing in Christ
- Why do we do what we do?

Heart

- Share your “Twitter” biography based on your Gospel Identities rather than your Everyday Identities.
- Share your past experiences of discipleship? How has it been defined for you? How has it looked?
- Assess your maturity in living out each Gospel Identity. Where would you like to grow in maturity? What ideas do you have for how this maturing could take place?
- Any other takeaways and/or questions you have from this teaching?

Hands

- Continue spending time this week assessing your maturity in Christ and pray that God would reveal ways you can grow in following Jesus this month.
- Practice drawing and explaining the 4 Questions chart with someone this week
