

## **Gospel Foundation – Session 4**

### **Understanding the Story of God: Who Are We?**

#### **Head**

- Everyday Identities
- Identity shapes behavior
- Gospel Identities
- Christianity versus world religions

#### **Heart**

- Share how you would present the Gospel to the 3 individuals in your life you chose.
- What are identities you place on yourself or feel placed on you? How does that affect your life?
- Which Everyday Identity are you most tempted to look to for significance and worth? Why do you think that is?
- In what ways are you tempted to see Christianity like other world religions (what do I do to get to God)?
- Which Gospel Identity do you most struggle to believe for yourself? Why do you think that is?
- Any other takeaways and/or questions you have from this teaching?

#### **Hands**

- (Just for fun) Write out a “Twitter” biography based on your Gospel Identities rather than your Everyday Identities.
